C3 Membership

Membership of HDTL shall be open to Tennis Clubs in Harrogate and the surrounding area.
Individual persons are not entitled to membership of HDTL.
It is a condition of membership that individuals of MEMBER CLUBS shall conform to existing equality legislation with regard to issues of colour, race, ethnic origin, religion and gender in their conduct within the HDTL.
Admission to new MEMBER CLUBS shall be by a majority vote of existing member clubs at the Annual General Meeting, subject to voting rules in force at that time.
Membership subscriptions for the next season are payable on the date of the preceding AGM, and are not refundable.
MEMBER CLUBS may enter more than one team in the LEAGUE.
MEMBER CLUBS may resign their membership, or remove a team from the LEAGUE, at any time, but it is hoped that (for organisational purposes) this would happen during the close season prior to the AGM.

C4 Purpose

The purpose of the League shall be to organise competitive tennis for individual members of MEMBER CLUBS. Any competition shall follow any relevant LTA guidelines and all play shall be subject to LTA and HDTL rules applying at the time. Competition formats shall include:

League tennis. Historically, HDTL has managed an adult mixed doubles league, but other formats may be added subject to demand and feasibility.

An Annual Tournament, with entry open only to bona fide members of MEMBER CLUBS.

Rules for established competitions shall be laid down and amended by majority vote, only at an AGM, but the conduct of competitions and any interpretation of existing rules shall be the responsibility of THE COMMITTEE. THE COMMITTEE may find it appropriate to organise other competitions without the authority of an AGM.

C5 Player Eligibility

All players shall have paid a full subscription applicable to their age group for the current season to the MEMBER CLUB they represent before taking part in competition.
Club Membership Subscriptions shall not be paid by any form of sponsorship, nor shall players receive any payment for playing, or for travelling expenses direct from the MEMBER CLUB or from any external source. (Players may, of course, share travelling expenses by car etc.)
To maintain the integrity of the divisional structure of the LEAGUE by ability levels, restrictions on some players will be imposed as defined in the League Rules, or by decision of the COMMITTEE.
The use of 'occasional' players to influence the result of a specific fixture shall be actively discouraged, and the COMMITTEE shall have the power to decide player eligibility in such circumstances, either in advance or retrospectively, and to take whatever action is deemed necessary.

C6 Structure

HDTL shall be a not for profit entity.
Its activities and finances shall be managed by the COMMITTEE.
The COMMITTEE shall consist of a President, Chairperson, Secretary, Treasurer and a minimum of 2 other persons.
In the interests of continuity, the three Officers may be elected for a period of 3 years, with one officer elected each year.
Meetings of the Committee shall be held as often as required but there shall be at least two meetings each year.
The COMMITTEE shall have the power to raise money through subscriptions from MEMBER CLUBS, charging individuals for specific activities and by seeking sponsorship from suitable businesses or individuals.
The Committee shall present audited accounts to the AGM.
HDTL shall not take out loans to undertake activities, and should normally operate with a prudent positive balance.
In the unlikely event of a running negative financial balance, HDTL shall ask MEMBER CLUBS for an immediate proportional subscription to restore the balance.

In the event that HDTL is wound up, any surplus funds shall be allocated by the COMMITTEE to a suitable tennis organisation within the Yorkshire LTA.
Add the following
The COMMITTEE shall have the power to co-opt members as required.

C7 Annual General Meeting

The AGM shall be held between 1st February and 31st March each year.
To be quorate, the AGM must be attended by a representative of a minimum of two thirds of the MEMBER CLUBS.
The agenda shall include:

Minutes of Previous AGM.
Annual reports from the Secretary and Treasurer.
Election of the COMMITTEE.
Any proposed changes to the CONSTITUTION or LEAGUE RULES (these shall be proposed by the COMMITTEE or a MEMBER CLUB before December 31st). Individuals may not propose changes.
The structure for the LEAGUE in the coming season.

Voting at the AGM shall be on a majority basis:

MEMBER CLUBS with 2 or more teams entered in the LEAGUE for the forthcoming season shall be entitled to 2 votes.
MEMBER CLUBS with 1 team entered in the LEAGUE for the forthcoming season shall be entitled to 1 vote.

Club Representatives must be present at the AGM in order to cast a vote. Each representative may cast one vote only.
Matters raised in 'Any Other Business' shall not be put to a vote.

C8 Extraordinary General Meeting

An extraordinary general meeting shall be called with a minimum of 14 days' notice under the following circumstances:

The COMMITTEE members consider that there are circumstances in which they cannot adequately conduct the affairs of the LEAGUE without consulting all MEMBER CLUBS.
A minimum of two thirds of all MEMBER CLUBS consider that HDTL is no longer able to function in a satisfactory manner, and that an EGM is necessary to remedy the situation.

The League Secretary shall call an EGM on receipt of the necessary number of requests in writing or by email, each one signed by the MEMBER CLUB representative as per LEAGUE records and one other principal officer of the MEMBER CLUB.

C9 Amendments to the Constitution

No amendments or alterations shall be made to the Constitution unless with the consent of a majority of two thirds of the members present at an Annual General Meeting or an Extraordinary General Meeting convened for that purpose. The intention to make such amendments or alterations must be made in writing to the Committee before any such proposal is submitted at the Annual or Extraordinary General meeting.

C10 Complaints Procedure and Disciplinary Matters

In the event that a MEMBER CLUB has a complaint against the conduct of another MEMBER CLUB or any of its individual members and this cannot be resolved at an informal level, a formal complaint may be submitted to the HDTL Chairman.
The COMMITTEE shall consider the complaint and reach a decision. If a penalty is imposed, the MEMBER CLUB or individual(s) concerned shall have seven days to appeal against the decision.
If there is a complaint against the conduct of THE COMMITTEE or one of its members, the COMMITTEE shall appoint a sub-committee of three people, two of whom shall be other than members of the COMMITTEE. The sub-committee shall decide upon what action to take if necessary.
The COMMITTEE itself may instigate disciplinary action against a MEMBER CLUB or its individual member(s).
Individual members of MEMBER CLUBS may raise a complaint only via their MEMBER CLUB committee.
Any appeal shall be judged on the basis of any matters not considered at the time of the complaint.

C11 Expulsion of a MEMBER CLUB or individual member(s) from the LEAGUE

This paragraph is required to empower the COMMITTEE to expel a MEMBER CLUB, one or more of its teams, or its individual members should the need ever arise.
After disciplinary procedure is complete, the COMMITTEE shall have the authority to suspend an individual person from taking part in HDTL activities either on a temporary basis or as a permanent expulsion.
Similarly, after disciplinary procedure is complete, the COMMITTEE shall have the authority to suspend a MEMBER CLUB from taking part in HDTL activities either on a temporary basis or as a permanent expulsion.
In a situation where it is necessary to expel one team from the LEAGUE, the COMMITTEE shall have the authority to expel that team, but permit other teams from the same MEMBER CLUB to continue within the LEAGUE.
Any MEMBER CLUB or individual subject to suspension or expulsion shall be entitled to appeal against the decision within a period of seven days from the date of issue of the penalty.

LEAGUE RULES 2016

Match Rules

L1 The Rules of Lawn Tennis, as approved by the International Lawn Tennis Federation, shall be adopted as the Laws of the Game in all League matches.

L2 Matches may be played on any recognised surface, including grass, artificial grass, shale, clay, macadam, acrylic, carpet, textile. Matches may be played outdoors or indoors. Matches may be played under floodlights, with the home team captain deciding on the timing of switch-on. The court surface may be changed during the course of a match to enable the match to be completed.

L3 Where a club has more than one team in any division, matches between those teams shall be played at the start of each half of the season. 2016. For these fixtures the higher team in the club must field three pairs. If this means the lower team cannot field a team then they will be in default of the match and be docked 2 points. (ie the two teams from the same club in the same division cannot play two pairs each as per L4).

L4 The League shall consist of teams of three mixed couples. Matches may be fulfilled with two couples on up to two occasions during the season; any further occurrences shall result in a deduction of one point (except, see Rule 3). Matches may not be fulfilled with one couple. Any team with deductions totalling 5 points or more in the course of a season shall be withdrawn from the League with immediate effect unless the Committee agree that there are extenuating circumstances.

L5 Four balls per court, of approved Lawn Tennis Association standard, shall be provided for each match by the home team.

L6 Matches shall be decided on three rounds of three rubbers each, and may be played on three or two courts.

For matches played on three courts, rubbers shall be played in the following order:

Court	*Round 1*	*Round 2*	*Round 3*
1	Home 1 v Away 1	Home 2 v Away 1	Home 3 v Away 1
2	Home 2 v Away 2	Home 3 v Away 2	Home 1 v Away 2
3	Home 3 v Away 3	Home 1 v Away 3	Home 2 v Away 3

For matches played on two courts, rubbers shall be played in the following order:

(1)	Round 1: Home 1 v Away 1	(2)	Round 1: Home 2 v Away 2
(3)	Round 1: Home 3 v Away 3	(4)	Round 3: Home 1 v Away 2
		(5)	Round 2: Home 2 v Away 1
(6)	Round 2: Home 1 v Away 3	(7)	Round 2: Home 3 v Away 2
(8)	Round 3: Home 2 v Away 3	(9)	Round 3: Home 3 v Away 1

L7 Rubbers shall consist of two sets to 6 or one set to 6, decided as in Rule 16.

Two sets to 6 In each set, the first pair to win 6 games wins the set. A 13-point tie-break shall operate at 5-5 in each set if necessary (see Rule L8). A rubber in which each pair wins one set is halved.

One set to 6 The first pair to win 6 games wins the rubber. If the game score reaches 5-5, then a tie-break shall NOT operate; two further games shall be played and the rubber score recorded as 7-5 (rubber won) or 6-6 (rubber halved).

L8 A tie-break shall operate when the game score reaches 5-5 in any rubber of two sets to 6 games.
Procedure:
- Numerical scoring shall be used.
- The player whose turn it is to serve shall be the server for the first point only, from the right court. Thereafter, each player shall serve in rotation for two points, from the left and right courts alternately, in the same order of serve as previously in that set.
- Players shall change ends after every six points, and at the conclusion of the tie-break game.
- The pair who first win seven points shall win the game and the set, provided they lead by a margin of two points. If the points score reaches 6-6, the game shall be extended until a two-point margin has been achieved.
- At the end of the game and set, the game score shall be recorded as 6-5.
- The pair who served first in the tie-break game shall receive service in the first game of the following set.
2016. L7 and L8 are being reviewed by the committee during 2016.

L9 Matches may be played to different formats depending on the lighting available:

Format	*Round 1*	*Round 2*	*Round 3*
2-2-2	Two sets to 6 games	Two sets to 6 games	Two sets to 6 games
2-2-1	Two sets to 6 games	Two sets to 6 games	One set to 6 games
2-1-1	Two sets to 6 games	One set to 6 games	One set to 6 games
1-1-1	One set to 6 games	One set to 6 games	One set to 6 games

Any format may be used if agreed by both captains.
Otherwise, the Official Fixture List determines the format to be used in each match.
All matches at clubs where courts are at different venues shall be played to the 2-1-1 format.
Matches played without floodlights after August 15 shall use the 1-1-1 format.

L10 *For interrupted matches:*
No rubber in a round shall count towards the match result unless the whole of that round has been completed. Rubbers or sets may be forfeited to enable completion of a round.
In the event of bad weather or bad light curtailing a match in progress:
- Both captains must agree to a cessation of play.
- The match result shall stand as at the end of the last completed round.
- If the first round has not been completed, the match shall be re-arranged.

L11 *Late starting of matches:*
Matches shall start at the time stated in the League Fixture List.
Any couple not ready to start play within 15 minutes of this time shall forfeit the first set.
Any couple not ready to start play within 30 minutes of this time shall forfeit the first rubber.

L12 The match result shall be decided by the number of rubbers won. Rubbers halved shall count as one half-rubber to each team. 2016. To fit with the League Planner software, a winning rubber shall be recorded as 2, a halved rubber as 1, and a losing rubber as 0. (A set is recorded as 2 for a win; 1 for a draw; 0 for a loss)

L13 Match results shall be recorded on the score cards provided. Score cards shall give first name and surname of each player, rubber scores, match score, and be signed by both captains. Score cards shall be returned by the home team captain to the League Secretary **within three days of the match.**

L14 League points shall be awarded to each team on the following basis:
Win - 2 points Draw - 1 point Loss - 0 points.

Re-arrangement of matches

L15 After publication of the official Fixture List, dates or starting times of matches can only be re-arranged:

- By mutual agreement of the two team captains and the Management Committee.
- Due to adverse weather conditions on the day of the fixture. In this case, the home Club shall inform the League Secretary of the postponement **within three days of the original date of the fixture.**

L16 The two team captains shall re-arrange for the match to be played on a new date within the scheduled season. The home Club shall advise the League Secretary of the re-arranged date **within 14 days of the original date of the fixture.** If a new date within the scheduled season cannot be agreed by the team captains then the Secretary will impose one, either within or after the scheduled season.

Unplayed matches

L17 If a match has to be cancelled for any reason other than those allowed in Rule 15, then at least 24 hours notice shall be given by the defaulting team to their opposing team, who shall be credited with a victory, rubber score to be decided by the Management Committee.

L18 Any team not fulfilling a fixture shall have two League points deducted from their total. In extenuating circumstances, the defaulting team may apply to the Management Committee.

L19 Any match still outstanding at the official end of the season shall be subject to consideration by the Management Committee, who may require the match to be played, or may award League points, at its discretion.

L20 If a team withdraws from the League before completing 50% of its fixture programme, then all records of matches played by that team shall be expunged.

Eligibility of players

L21 No player shall be eligible to play any League match for more than one League Club in any one season, except by discretion of the Management Committee. See also Constitution, C5.

L22.1 *Eligibility for the first four weeks of the season:*

For players playing for the same Club as in the previous season:

Any player who played 50% or more matches for a team (or higher team) in the previous season shall be classified as "restricted to that team" for the first four weeks (Sunday - Saturday) of the current season.

Any such player shall be restricted to playing a maximum of one match per week for that team or any lower team. There shall be no restriction on playing in addition for higher teams in the same week.

For players playing for a different Club to that in the previous season:

Any player who played 50% or more matches in a Division (or higher Division) in the previous season shall be classified as "restricted to that Division" for the first four weeks (Sunday - Saturday) of the current season.

Any such player shall be restricted to playing a maximum of one match per week for a team in that Division or any lower team. There shall be no restriction on playing in addition for higher teams in the same week.

L22.2 *Eligibility from the fifth week of the season onwards:*

Any player who has played four or more matches for higher teams shall be ineligible to play for a lower team in any further matches in that season, except by discretion of the Management Committee.

If a player's application to play for a lower team is accepted, then:

- that player shall be ineligible to play again for a higher team in that season;

- that player's place in the higher team shall be taken by a nominated player,
  who shall then be ineligible to play for a lower team in that season.

L22.3 *Eligibility from the start of the penultimate week of the season:*
Any player who has played 6 or more matches for a team and is still eligible to play for that team may thereafter play **up to two matches** for higher teams without losing his eligibility to play for that team.

L23 All rubbers played by ineligible players shall be awarded to the opposition team.

Divisional Grouping
L24 At the end of the season, League positions shall be decided by:
Firstly, total points won.
Secondly, rubber average (rubbers won divided by rubbers lost).

L25 The League shall be split into Divisions, as decided by the Annual General Meeting, along the following principles:
- The maximum number of teams in any Division, except the lowest Division, shall be eight.
- If the number of Divisions is to be the same as in the previous season, then teams placed in the top two positions in each Division at the end of the previous season shall be promoted to the Division above, and the appropriate number of teams necessary to maintain similar divisional sizes shall be relegated from the bottom positions in each Division to the Division below.
- If the number of Divisions is to be different to that in the previous season, then the allocation of teams to each Division shall be decided by the Annual General Meeting.

Etiquette
L26 The Committee shall have the power to prohibit any act or practice by Clubs or players which in the opinion of the Committee is detrimental to the game or the best interests of the League, and to deal with any offending Club or player as it may think proper.

Alterations to League Rules
L27 Alterations to these League Rules shall only be made at the Annual General Meeting. Notice of any proposed alteration shall be submitted in writing to the League Secretary by 31 December each year.

HINTS TO TEAM CAPTAINS

Read the Constitution and League Rules and be familiar with them.

Contact the league secretary if you have a query.

If you have problems raising a team, or getting to an away match on time, remember that:
- in an emergency you can play a match with two couples only; this is preferable, and more polite to your opponents, to cancelling at the last minute. But there are penalties for doing it regularly – see League Rule L4.
- you must concede the first set or first rubber on arriving late (see L11).
- you should not ask the League to sanction a change of date if you cannot raise a team; the League will not agree.

The official match start time is the time for the first serve in the match, not the time to start knocking-up, or the time to arrive at the ground.

Clubs with more than one team in the same division have additional rules – see L3. The eligibility rules about higher and lower teams still applies.

If bad weather or bad light is a factor before or during a match:
- the initiative should be with the home team to contact verbally the away team to prevent travel if conditions are very bad; in the absence of such advice, the away team should travel.
- remember that only one rubber is required to be completed for the match score to stand; do not rush into postponing the match early if there is a chance of the weather improving within one hour of the official start time.
- **you must play unless both captains agree not to do so.**

The match must be played to the format as shown in the Fixture List, unless both captains agree to play to a different format.

To help decide the format of the last round, allow 30 minutes per set, and note the following sunset times: (Source: sunrisesunsetmap.com)

Apr 25	20.27	June 6	21.34	July 18	21.26
May 2	20.40	June 13	21.39	July 25	21.16
May 9	20.53	June 20	21.42	Aug 1	21.04
May 16	21.05	June 27	21.42	Aug 8	20.50
May 23	21.16	July 4	21.39	Aug 15	20.35
May 30	21.26	July 11	21.34	Aug 22	20.19

Only rubbers count in match results; whether a rubber consists of 1 or 2 sets, and the game score in each set, does not matter. Drawn rubbers count as a half-rubber to each team.

The League Secretary must be advised of the match result by the home team captain within three days.

If a match is not played on the official date, the League Secretary must be advised of the fact within three days.

Read League Rules L15 & L16 about the re-arrangement of postponed matches.

Aim to finish as high up your Division as possible. Re-organisation of the League into a different number of Divisions next season is always a possibility.

It is an expected courtesy that the home team should provide some form of refreshment, either during or after the match.
